BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pacific Gas and Electric Company
To Revise Its Electric Marginal Costs, Revenue
Allocation, and Rate Design.

(U 39 M)

Application 06-03-005
(Filed March 2, 2006)

**ADMINISTRATIVE LAW JUDGE'S RULING
REVISING THE PROCEDURAL SCHEDULE**

On February 4, 2008, Pacific Gas and Electric Company (PG&E) contacted me to request a two week extension to the February 14, 2008 filing date for parties to comment on the straw timeline and rate design guidance and for PG&E to file a straw Critical Peak Pricing (CPP) rate, as discussed and specified in the January 23, 2008 Assigned Commissioner's Ruling. Dates related to the workshop on the straw CPP rate would be similarly extended. I have consulted with Commissioner Chong's office, and we find the request to be reasonable.

Therefore, **IT IS RULED** that the procedural schedule, as detailed in Appendix B of the January 23, 2008 Assigned Commissioner's Ruling is revised to the following:

Schedule

The following is a revised schedule for the Dynamic Pricing Phase:

Date	Action
Feb. 28, 2008	Parties file comments on straw timeline and rate design guidance PG&E files straw CPP rate
Mar. 7, 2008	Workshop on straw CPP rate
Mar. 21, 2008	Post-workshop comments on straw CPP rate
February 2008	Ruling on customer education and enabling technologies
March 2008	Workshop on customer education and enabling technologies
April 2008	Parties file comments regarding customer education and enabling technologies
May 2008	Proposed Decision on Dynamic Pricing policy

The following is a potential schedule for consideration of a new CPP rate for PG&E's customers with maximum demand greater than 200 kW:

Date	Action
June 2, 2008	PG&E files new CPP rate for customers > 200 kW
November 2008	Proposed Decision on new CPP rate for customers > 200 kW

Dated February 6, 2008, at San Francisco, California.
